WELCOME TO ENGLISH CLASS

Students - Welcome to English IV class! I am so happy you are here! This year we will be learning more about our speech, social and emotional skills, language skills, interactions with peers and adults, daily routines, and so much more! I am so enthusiastic to get this year started with you all and cannot wait to see your progress throughout the year. My goal for you is to feel fearless when you speak, so that you can take on the world and go be wonderful at anything you want!

Parents - I feel so honored to help your child with their education this year! I want to make this an enjoyable and learning experience for all involved. My goal is to accompany you all as much as I teach your children. Parents education is highly important to me, so I want you to stay in the know, too! If you have any questions, please feel free to reach out to me at any time by email! I will be happy to answer your questions. If I do not have the answer, I will direct you to someone who does! I want to work with you as a team the most benefit your child!
